### Conco Services Corporation Releases New 2016 Catalog for the Industrial Markets

**Verona, PA** (March 11, 2016) Conco released a new streamlined market-focused catalog highlighting its services and products for the chemical, petrochemical, refinery and other industrial markets. This 16-page catalog focuses on Conco's service capabilities including its state-of-the-art technologies for tube cleaning that are more effective, safer, use less water and create a smaller footprint than other traditional methods.

Essentially, there is enough information provided in this comprehensive catalog to help customers determine the products or services that are applicable to their specific situations. "We want to create industry awareness that using low-pressure water as opposed to high-pressure water is a safer, faster and more environmentally friendly option," says Jason Wilburn, General Manager of Conco Industrial Division.

Requests for catalogs can be made via telephone at 1-800-345-3476 or by emailing [info@conco.net](mailto:info@conco.net) .

Founded in 1923, Conco is the world's leading provider of condenser and heat exchanger services to the power generation and industrial process industries with offices located in the US, Europe and Asia Pacific.
